MOTION TO UNSEAL ECF No. 5

The United States of America, through its undersigned attorneys, without opposition from the defendants, respectfully moves to unseal ECF No. 5 in the above-captioned docket. Because the motion is unopposed, the United States believes that the motion can be decided without a hearing.

Previously, the government moved for, and the Court ordered, the unsealing of the docket and all filings and transcripts of hearings in this case except for ECF No. 5 (Government's Notice of Related Cases). *See* ECF No. 11 (Government's Motion to Unseal Case); ECF No. 14 (Order to Unseal). The government submits that the related cases referenced in ECF No. 5—*United States v. Rendon*, Case No. 4:24-cr-089 and *United States v. Strother*, Case No. 4:24-cr-113—have since been unsealed by this Court. *See Rendon*, Case No. 4:24-cr-089, ECF No. 20 (Order granting Motion to Unseal); *Strother*, Case No. 4:24-cr-113, ECF No. 16 (same). Accordingly, the

government submits that the justifications for the continued sealing of ECF No. 5 no longer apply.¹

A proposed order is included herein. Counsel for the United States has consulted with counsel for the defendants, who informed undersigned counsel that they do not oppose this proposed order.

The United States thus respectfully requests that the Court unseal ECF No. 5 in this matter.

Respectfully submitted,

COREY R. AMUNDSON

¹ The government notes that related case, *United States v. Akhounova*, Case No. 4:24-cr-221, was also recently unsealed by this Court, which the government submits, further supports the unsealing of ECF No. 5 in this case.
